All flower beds and areas are now up for adoption for this summer. People always mention the beauty of the grounds around St. Anthony's. Please give a little time to make a large difference.

Community Update

Baby Bottle Campaign 2021

Women's Care Center Peoria is having their annual Baby Bottle Campaign to help assist their mission.

Since 2013, our Center, located on North University is the only place where women can both make a decision for life and receive the necessary services such as counseling, pregnancy testing, ultrasounds, parenting classes- all confidential and free of charge. While many places closed during the pandemic, because of your generosity and support and our dedicated staff, our Center's doors remained open. Just in 2020, 490 babies were born to moms served by our Center.

Because of the pandemic, this year we have created a 2 minute video about the Women's Care Center Baby Bottle campaign featuring a quick tour of our Center along with an overview about the work we do. The link to this video can be found on your parish website. And because of the pandemic, this year we are using an envelope with a Baby Bottle picture in place of the actual baby bottle. If you feel you can make a gift to support our 100% privately funded ministry please know any amount does make a vital, life affirming difference in the lives of these mothers and babies. Lastly, we humbly ask for your prayers. Our staff, clients and donors are always in need of prayer support. We thank you in advance for your thoughtful generosity. May God bless you and keep you safe and healthy during these unprecedented times.

Blood Drive

The Peoria Notre Dame Key Club will be hosting a blood drive through the American Red Cross on Friday, April 30 from noon to 5:00 pm at the Red Cross Blood Service Building in downtown Peoria.
