From the Pastor

Garage Sale Heros

On October 1, St Anthony wrapped up its first garage sale in two years. LOTS of items accumulated and the amount of work needed to pull off this sale exceeded all previous sales. Thankfully, the Tony's team rose to the occasion in a truly astounding way! In the end, we netted close to \$28K!!! This is over ten percent of our annual budget and about six weeks worth of collection. While the hope moving forward is to one day match collection revenue with budgeted expenses, for now we are largely dependent on this income and so it's a huge blessing for us.

For days, weeks, even months, dedicated parishioners - and many non-parishioners - spent countless hours processing items and getting them ready for the sale. Many people even took loads of laundry home to clean and dry with their own machines. The co-ordinated efforts of selfless volunteers accomplished an unimaginable amount of work in a very limited time frame. It almost seems miraculous how it all got done. It reminds me of the 'loaves and fishes' story in the Gospel, where a small amount of food, generously placed in the hands of Jesus, became nourishment for the multitudes.

The whole event was a win-win. The parish received needed revenue, the community got to buy quality goods for cheap, and people were able to unload unnecessary items which met someone else's needs. I have no doubt that God and 'Tony' (St Anthony) are smiling upon us.

There are too many people to thank individually, but you know who you are. More importantly, God knows, and He is the one whose reward and praise we ultimately seek. I do need to offer special thanks to Rose Hordesky and Janet Snyder, whose effective leadership enabled the whole venture to thrive and succeed.

Well done, good and faithful servants! Now it's time to take a well-deserved rest!

Our Fall Study will be The Case for Christ by Lee Strobel. Based upon the Gold-Medallion award-winning best-seller, The Case for Christ documents Lee Strobel's journey from atheism to faith through his two-year investigation of the Bible and the life of Jesus Christ. Strobel, the former legal editor of the Chicago Tribune, draws upon his investigative skills to examine the historical accuracy of the Gospels, the personal claims of Jesus and His resurrection from the dead. Is there evidence to confirm that Jesus of Nazareth was, indeed, the son of God and the savior of the world? This remarkable film features interviews with 10 leading Biblical scholars from North American and England, cutting-edge apologetics, and a compelling original music score
