Mass Intentions

Did you know that you can have a mass said in memory of a loved one who has died? You can also have a mass said for someone who is still alive. Some choose to have a mass said in honor of a birthday, anniversary, birth of a child, or date of a person's death. Please call the office to schedule or mail in your request.

Sick or Hospitalized?

If you or a loved one are sick or hospitalized, please notify the office so that the pastor can come visit and we can pray for you!

In the past, parishes used to get notifications from hospitals when parish members were admitted. Due to privacy laws, this no longer happens. St Anthony has no way of knowing if you are in the hospital, unless someone notifies us. So please keep us informed!

Thanks and God bless.

From Fulton Sheen

Politics has become so all-possessive of life, that by impertinence it thinks the only philosophy a person can hold is the right or the left. This question puts out all the lights of religion so they can call all the cats gray. It assumes that man lives on a purely horizontal plane, and can move only to the right or the left. Had we eyes less material, we would see that there are two other directions where a man with a soul may look: the vertical directions of "up" or "down."
