

Hike and Picnic

Saturday, June 14
10:00am

Lauterbach Park, Bartonville

We invite all interested parishioners to join us for a hike and picnic at Lauterbach Park, Bartonville. Clara's Trail, the 1-mile trail, was built in 2024 and recently had a grand opening celebration.

- We will meet at St Anthony at 10am and carpool from there as parking is limited.
- Please bring your own picnic lunch, comfortable walking shoes, a hat, and hydration.

The purpose is to enjoy nature together and to celebrate the 10-year anniversary of Pope Francis' encyclical, *Laudato Si'*.

Below is a description of the park from the Village of Bartonville's website:

Clara's Trail is a one-mile walking or biking path built into the side of a tree lined hill. Entrances are found at the bottom of the hill close to the entrance gate and at the top of the hill. A bench is located toward the top of the trail and two bridges built by Boy Scout Troop #200 cross the ravine.
