## From the Pastor

### Inspiring Guidance

Dear friends,

*I recently came across this passage from Pope Francis' 2020 encyclical 'Fratelli Tutti' on fraternity and social friendship. I found it very hopeful and inspiring. The context is the dream of a new and better kind of politics. But I believe it applies well to all our social endeavors!*

-Fr Charles

'It is truly noble to place our hope in the hidden power of the seeds of goodness we sow, and thus to initiate processes whose fruits will be reaped by others... At times, in thinking of the future, we do well to ask ourselves, "Why I am doing this?", "What is my real aim?" For as time goes on, reflecting on the past, the questions will not be: "How many people endorsed me?", "How many voted for me?", "How many had a positive image of me?" The real, and potentially painful, questions will be, "How much love did I put into my work?" "What did I do for the progress of our people?" "What mark did I leave on the life of society?" "What real bonds did I create?" "What positive forces did I unleash?" "How much social peace did I sow?" "What good did I achieve in the position that was entrusted to me?"

'Fratelli Tutti' 196-197
