Parish Survey

St Anthony's Parish Council suggested we offer a parish survey to hear your feedback and serve you better. Thanks to the hard work of many on the council, the survey is ready to launch!

You can take the survey either as a hard copy or online. The hard copy version will be available at the welcome center in the gathering space. A box will be in the same spot to return your completed survey. The address for the online survey is <https://forms.gle/iTe8WQyQBjYwtjcqf7>. We will be emailing the link to everyone in our parish database.

We are asking you to complete the survey by Oct 1. It should only take about five to seven minutes to complete.

The surveys are anonymous. The council will review the results with Fr Charles and prayerfully discern how to use the data to learn, grow, and improve.

Thanks for participating!
