

Eucharistic Miracles with Fr Luke Spannagel

**Saturday October 18th
10:30am**

**St Anthony Church
2525 S Skyway, Bartonville**

The mystery of the Eucharist certainly calls for faith. But through the centuries, God has given glimpses of proof as the Eucharistic species have manifested as actual flesh and blood. Many of these miracles have been documented and studied, even from a critical view, and defy scientific explanation.

Fr Luke Spannagel is pastor of St Philomena in Peoria. But for two years prior, he traveled the country as one of the official Eucharistic Revival preachers, giving homilies and retreats and talks on many Eucharistic themes. He has said that his 'Eucharistic miracles' presentation was his most popular talk. He has graciously agreed to speak at St Anthony's on this powerful subject.

I hope you can join us!

-Fr Charles
