

Solar Meeting

**Tuesday,
Sept. 9 at 7pm
Parish Center**

WHAT:

**A presentation on the costs, benefits, rebates,
and downstream savings of solar energy
conversion.**

WHO:

Kevin Sauder from 360 Electric

WHY:

**Opportunity to learn about:
what we hope to do at St Anthony;
this technology and how it works;
how it stands to benefit both our local parish
community and our common home.**

I hope you can join us! -Fr. Charles

Keeping You in the Know

ADA Update

St Anthony has received permission from the Diocese to roll this year's ADA into a parish capital campaign to raise money for two big projects: a new 'Morton' style building to replace our dilapidated old one, and for campus-wide conversion to solar energy for the parish.

You will be receiving much more information on this in the next 4-6 weeks. We plan to launch the parish-wide appeal sometime in October. But since this is the time of year that you usually receive your Annual Diocesan Appeal letter, I wanted to ask you to refrain from making your pledge, and wait until the parish wide campaign is launched in October.

Thanks for being a valuable member of St Anthony!

Don't Forget!
