Eucharistic Miracles

with

Fr Luke Spannagel

Saturday October 18, 10:30am

The mystery of the Eucharist certainly calls for faith. But through the centuries, God has given glimpses of proof as the Eucharistic species have manifested as actual flesh and blood. Many of these miracles have been documented and studied, even from a critical view, and defy scientific explanation.

Fr Luke Spannagel is pastor of St Philomena in Peoria. But for two years prior, he traveled the country as one of the official Eucharistic Revival preachers, giving homilies and retreats and talks on many Eucharistic themes. He has said that his 'Eucharistic Miracles' presentation was his most popular talk. He has graciously agreed to speak at St Anthony's on this powerful subject.

I hope you can join us!

New Picture Wall

Dear friends,

As part of our beautifully remodeled entryway of the Parish Center, we've added a picture display of canvas prints. We used high quality images from a few big past parish events. There was not favoritism in whose pictures we used. Much of the selection came down to image quality and formatting for the 8 x 8 square size. We tried to use a representation of images that collectively tell the story of our wonderful parish.

We will try and continue to take pictures at future parish events and rotate the images we use on the wall. So if you don't see your picture but would like to, make sure you mug for the camera at our next big upcoming event.

I hope the picture wall becomes an attention-getter and conversation-starter. Thanks and God bless!
