*To All Parishioners and Friends of St. Anthony's,*

The season of fall has begun the process of turning the vibrant green of full-summer-sun into the earth tones of earlier dusk. The earth prepares to go fallow for the long winter sleep, a well-deserved rest after a rich harvest. There may yet be a few bright days of "Indian Summer," but winter will come as surely as the spring which will follow.

This amber time of year provides a moment of remembering for the people of St. Anthony's Catholic community here in Bartonville. It has become the custom of the parish to set aside the first Sunday in November, All Soul's Day, to recall the members of our family-of-faith who have died since the last fall season.

On Sunday, November 2, 2025, we will pray for the following at the 9:00am Mass:

*Michael Keith Taylor* who passed away on December 12, 2024

*Virginia JoAnn Dunne* who passed away on January 10, 2025
