## From Fr. Charles

### ‘Dilexi Te’ (‘I Have Loved You’)

*by Pope Leo XIV:*

Christian love breaks down every barrier, brings close those who were distant, unites strangers, and reconciles enemies. It spans chasms that are humanly impossible to bridge, and it penetrates to the most hidden crevices of society. By its very nature, Christian love is prophetic: it works miracles and knows no limits. It makes what was apparently impossible happen. Love is above all a way of looking at life and a way of living it. A Church that sets no limits to love, that knows no enemies to fight but only men and women to love, is the Church that the world needs today.
