Bring a friend! All are welcome!

Inspired by the vision of "Laudato Si", we seek to care for God's creation as a sacred gift entrusted to our stewardship. Through prayer, education, advocacy, and practical action, we strive to protect the Earth, promote sustainability, and foster a deeper relationship with creation in our little corner of the world at St. Anthony's. Together, we answer God's call to be faithful stewards, working with hope and joy to renew the Earth for present and future generations.
